

Dear Principal, Vice Principal & PTA President,

Great Skate partners with hundreds of schools in your area each year providing healthy fundraising events, educational workshops, FREE rewards for your students, daytime trips and more. Our school programs are designed to meet the needs of the schools within our community.

In this package you will find detailed information on our programs, as well as pictures of our CLEAN and SAFE facility. Most importantly, you will also find testimonials from representatives of your neighboring schools letting you know how they were able to utilize our programs, and how the programs worked for them.

Great Skate is the leader in the family entertainment industry. Roller skating is a life-long sport that provides great health benefits for all who participate, muscle strength is developed, 800-1600 calories are burned in a 2 1/2 hour skating session, and the cardiovascular system is strengthened just to name a few.

We look forward to discussing the ways that Great Skate can aid your school in hitting its goals for the upcoming 2012-2013 school year!

Sincerely,

The **Great Skate** Management Team

Dear Jennifer,

Thank you for helping me set up our Family Skating Night again this year. I appreciate your working with us to offer a fun, affordable event that our families truly look forward to! The reasonable cost for both skating and refreshments allows all of our families to participate. It's a wonderful opportunity to combine both FUN and Fundraising!

Thanks also for creating the master for our flyers to pass out to students: that's really a time saver for me! In fact, the whole event is stress free for me!

I look forward to working with you and Great Skate in the future!

Sincerely,

Jennifer,

I wanted to thank you for your assistance in setting up our Family Skating Night for our 4th graders. They had a great time skating and eating and when we came back to school and saw the pictures. Your staff is so friendly and professional. Skating is fun and the kids love it. I will be contacting you when school gets back up in August and looking over 4th grade party for our skaters on May. Thank you again, we had a great time!

Dear Great Skate Team,

On behalf of the Parents of Northern Canyon Elementary, I would like to send a very big THANK YOU!! As always, we had an amazing time at our school fundraisers. The GS always makes the best song selections that are school appropriate, yet fun! The kids LOVE to play the unique games as well. Skate has even made appearances at our school, which is an added personal touch for the students.

From the beginning to the end, the event coordinator (Jennifer) is great to work with! She has the best communication skills and always keeps me informed. I love how the flyers are printed EXACTLY the way we want them to and that they are delivered right to our school! The turnaround time for our check to arrive is also lightning fast! I know I never have to worry about the check not getting there because it is within days.

We were coming to Great Skate for one of the best "fun" skating nights that any school could ask for. Great food, great staff, great music, great time... GREAT GS!!! Thank you all of us, thank you again for making our event so memorable AGAIN!!

On behalf of your Skate Family,

Candy Gold
